- Oregon Congressman Earl Blumenauer is convening the latest of several elected officials' meetings on Portland Harbor, scheduled for May 1. Attendees will include other members of the Oregon Congressional delegation, as well as state and local elected officials, EPA, Oregon Department of Environmental Quality, and the PRPs. Dennis McLerran, Regional Administrator for Region 10, will attend with Office of Environmental Cleanup managers and staff. Region 10 is planning to meet with the editorial board of the Oregonian newspaper after the elected officials' meeting.
